## Teddy and Kate

Kate was watching the videos from the past that she spent time with her family.

She really misses her dad, because he is dead.

Kate goes to her room, and records a video for Santa.

Kate: Dear Santa, It's me Kate, from last year. I hope you're doing ok...

I've been on my best behavior this year. Not doing school things, but helping my mom and... other friendly things. To be honest, my brother is still behaving very badly. My mom always has to remind him of decorating the Christmas tree, and he still hasn't decorated it!! And also... Ow! Teddy what the heck!

Kate stops recording.

Teddy: I can't believe you're still doing videos to Santa! This camera is like 16 years old! Don't do anymore videos to Santa!

Kate: What if I do?

Teddy: Kate, listen. There is no...

Kate: No what?

Teddy: No... Chance that he's gonna watch a video

Teddy and Kate's Mom (or just Their Mom): Hey guys! Be quiet, and Teddy where are you going?

Teddy: To meet my friends.

Teddy and Kate's Mom: Ok but only for 1 hour.

Kate and Teddy's Mom leaves from Kate's room and goes to cook something.

Kate: I'm coming too.

Teddy: No, you're not!

Teddy puts a lot of fish food into Kate's aquarium

Kate: My fish! It's ok, buddies, everything is alright.

Teddy: Hope they're hungry.

After a few minutes, Kate went outside, too. She took the camera with her. She followed the way that Teddy went. When she saw what Teddy did with his friends, Kate was very surprised.

Kate: You gotta be kidding me!!!

She went home. There was no one, not even her mom because she was at work.

Kate: It's good that I made a video of what Teddy did.

When Teddy came home, he saw Kate in his room.

Teddy: Get out of my room! You're not allowed to be here.

Kate: And you're not allowed to steal anyone's car.

Teddy: What? I didn't steal anyone's car.

Kate: Yes, you did.

Teddy: Prove it!

Kate showed him the video.

Teddy: No way!

Kate: Yes, way! When mom sees this, she'll be screaming and calling the police!!!!!!

Teddy: Give me the camera!!

Kate: Sorry, I can't do that!

Kate ran downstairs with the camera. Teddy pushed her towards their family photo and it broke!!

Teddy and Kate's Mom came back home and saw them fighting.

Teddy and Kate's Mom: Hey! Hey! Guys! Stop fighting!

Kate and Teddy stopped fighting

Teddy and Kate's Mom: I thought that I could trust you guys! And look what you are doing!

Kate: Teddy did a very bad thing, and I can prove it!

Teddy and Kate's Mom: What did he do, Kate?

Teddy looked at Kate and tried to say something to her with his face.

Teddy and Kate's Mom: I'm waiting for you Kate. What did he do?!

Kate: He pushed me towards our family photo. Teddies and Kate's Mom took the photo and started to cry.

Teddy and Kate's Mom: What I wish for Christmas is that you guys would behave like I want you to behave. After a few minutes, someone called Teddy and Kate's Mom.

Teddy and Kate's Mom: Hello? Oh, ok. I'll be right there.

Kate: What is it, Mom?

Teddy and Kate's Mom: I have to go to work.

Kate: Oh, sure.

Teddy was going out to meet his friends, but his mom stopped him.

Teddy and Kate's Mom: Where are you going, Teddy?

Teddy: To meet my friends.

He smiled.

Kate: He's on the roof!

Teddy: Relax.

Kate: Give me the camera!

Teddy: Ok.

Kate: Come on!

Teddy: Wait for me!

Kate: He's disappeared!

Teddy: Look! Over there!

Kate: Look! He's doing magic!

Teddy: Look! His sleigh!

Kate: And there are 5 deer.

Teddy: Wait! What are you doing?!

Kate: Do you know how cool that is? I have to see inside the sleigh.

Teddy: Fine! But be careful.

Kate: There we go!

Teddy: Wait! What are you doing now? Stop it!

Kate: Whoaaa!

Kate jumped into the sleigh from a long wood standing on grass. And there were iron things on each side. And Kate jumped from there.

Teddy: Oh, what did you do?!

Teddy jumps there, too.

Santa: Ho! Ho! Ho!

Santa puts the bag with the presents into the sleigh, where Kate and Teddy are. But there is a wall in the middle of the sleigh, so Santa cannot see the children. Santa starts moving the sleigh. Kate is hoping to get down, because it is freezing in the air.

## Chapter 2 In the air

Kate: Brrrr... It's free-eezii-in-ggg.

Teddy: Hold on! He's gonna go back down soon.

Kate: Maybe Santa has a blanket.

Teddy: I'll look.

Teddy starts searching... But something terrible happens! Kate called Santa's name, and touched him!!

Kate: Santa?!

Santa: AAAAAAAAAAHHHH!!!!!!!!!!!!!!!!!!!!

Teddy and Kate: AAAAAAAAAAAAAAAAAAAHHH!!!!!!!!!!!!

The reindeers start flying away and Santa's sack FLEW AWAY!

Kate: Teddyyyyyy!!!!!!!!!! Helpppppp!!!!!!!!!!!!

Teddy: Kateeeeeeeee!!!!!!!!!!!!!! Hold on!! Help Santa!

Santa: Who?!

Santa saw that Kate was falling down so he tried to help her.

Teddy: Hold on to me, Kate!!!

Kate: I'm trying!

Teddy: You can do this!

Teddy got Kate; and now was the worst part ever. THEY WENT TO CHICAGO IN ABOUT A FEW SECONDS! Like thousands of miles in a few seconds. While they were going there, it was incredibly magical and awesome, because it was a place where there were all kinds of countries.

Teddy and Kate: Whoaaa!!

Santa was a hard worker, because he was holding the sleigh to not fall. Finally, they were in Chicago, and of course, they fell down.

### Chapter 3 in Chicago

A few minutes later Kate and Teddy woke up.

Kate: Teddy! Teddy!

Teddy woke up.

Teddy: Yeah?!

Kate: Where's the camera?!

Teddy pointed to the camera. He was wondering what had just happened. He thought that all was just a "DREAM".

Teddy: What just happened??!!!

Kate: Ummm... Teddy.

Teddy: I was in the sky!

Kate: Teddy.

Teddy: We traveled a thousand miles!

Kate: Teddy!!

Teddy: What?!

Kate pointed at Santa, who was coming towards them. Teddy turned his head and yelled.

Teddy: AAAAAAAAAAAAA!!!!!!

Santa: You two okay?

Teddy and Kate: Ye-es, S-a-a-a-anta.

Kate: Umm... Yo-u-u look so diff-erent.

Santa: Why? Because I'm not as fat as you think?

Kate: No! No! I didn't mean that.

Santa: Well... it's ok, Kate.

Santa walked towards his sleigh and looked.

Santa: Oh no, no, no!! You two have really messed up. Wait, what? Where is the sack of presents!?

Teddy: I-it flew off the sleigh.

Santa: Oh... Not good, not good at all.

Santa took his arm and looked at a weird watch.

Santa: Well, Christmas is down 75%. I still think that I can save Christmas. It is really important for me, really important for everyone else, too.

Teddy: What if a few children don't get presents, it's not the end of the world.

Santa looked towards Teddy with an angry look on his face.

Santa: You think so? Teddy Pierce.

Teddy looked towards Kate. He was confused.

Santa went to open a little shelf inside the sleigh and there was a cool thing.

Teddy: What's that?

Santa: This? \*grunt\*

Teddy: Umm, yeah.

Santa: This tells me where the sack of presents is.

Kate: Cool!

Santa: Mhm. So, it's not so far away.

Kate: Where exactly are we?

Santa: Let me see. So, the first star is there, the second star is there and the third one is there. We came over Moscow aaaand... oh, not so far away. We're in Chicago.

Kate and Teddy were really confused because Santa was acting weird.

Kate: Umm... ok... so we traveled like thousands of miles in a few seconds?

Santa: Yes, and why are you acting so confused?

Kate: Because you know places so well... I mean how do you know that we are in CHICAGO!?

Santa: I travel every year, Kate.

Kate: Oh yeah, that makes sense.

Santa: You children ruined Christmas. Go home because there won't be any presents. THERE WON'T BE!  
You guys are the worst kids EVER!

Santa walked away. And he was asking people for help.

Kate: Cool!

Santa: Mhm. So, it's not so far away.

Kate: Where exactly are we?

Santa: Let me see. So, the first star is there, the second star is there and the third one is there. We came over Moscow aaaand... oh, not so far away. We're in Chicago.

Kate and Teddy were really confused because Santa was acting weird.

Kate: Umm... ok... so we traveled like thousands of miles in a few seconds?

Santa: Yes, and why are you acting so confused?

Kate: Because you know places so well... I mean how do you know that we are in CHICAGO!?

Santa: I travel every year, Kate.

Kate: Oh yeah, that makes sense.

Santa: You children ruined Christmas. Go home because there won't be any presents. THERE WON'T BE!  
You guys are the worst kids EVER!

Santa walked away. And he was asking people for help.

Kate: We can't just stay here; Santa need's us!

Teddy: I don't know, he seems pretty mad so we should head back home.

Kate: HOME!? We're like thousands of miles away. You heard him, we ruined Christmas and we are the worst kids EVER!

Teddy: OK! Relax. Let's go then.

Teddy and Kate started running towards Santa, who was still walking.

Kate: Santa! Wait! We wanna help!

Santa: Well, I can't do anything with you, I have to handle your naughty behavior.

Santa went somewhere weird.

Kate: Umm... Santa, you know that we are walking towards the restaurant right?

Santa: Yes, of course I do!

Kate: Are you sure?

Santa: YES!

They went inside the restaurant. The first one who recognized Santa was a lady who worked at the

restaurant.

Wendy: Umm... can I help you?

Santa: Wendy! How big you have grown!

Wendy: Umm... Excuse me?

Santa: You know what I mean, grown up big!

Wendy: How do you know my name?

Santa: UGHHH! Why does this life suck? No one knows who I am.

Teddy: It's Santa Claus. Not just a pretend Santa Claus.

Santa: Well, Wendy was a very good kid \*turns head towards Teddy and Kate\*

Wendy: I've always believed in Santa Claus, but are you really the real...

Teddy: YES HE IS!!!

Wendy: Ok cool. Well, what can I get for you today?

Santa: Help. Christmas is in trouble, so you can help us with finding my sleigh, sack of presents, and of course my reindeers.

Wendy: Oh, so is Christmas in trouble? Well, that's sad.

Santa: Of course it is. Oh yes, can I pay a taxi driver with candy sticks?

Wendy: \*Laughs\*

Kate: Oh Santa. Sorry.

Kate took the candy stick from Santa's hands and put it in her pocket.

Wendy: Well take these, I have a few dollars with me. I think it's enough to pay a taxi driver.

Santa: Oh no, that's very kind of you, but thanks. I'm sure there will be someone to help us.

Santa walked where a lot of people were eating dinner.

Santa: Well, hello there, fellas. I'm Sa...

Kate: Santa Claus! The real Santa Claus, not just a pretend one.

Santa: Yes Kate, I'm sure that they all know my name. Because I'm famous.

Freddy: You don't look like Santa Claus.

A sound came from the back, it was a man. He pointed to a picture on the building of Santa Claus outside. Santa looked out from the window.

Santa: Well, 80 kilograms heavier than me, Freddy.

Freddy was confused because Santa knew his name for some reason.

Santa: So, where were we? Oh, yes. If you all want presents under your Christmas trees then you might want to help me, wouldn't you? Huh?

Everybody looked confused.

Santa: So who wants to help me?

No one answered. They just watched Santa for a few seconds and continued eating. Santa started walking towards a random person and started talking to them. First, he walked towards a guy who was from Japan. Santa asked him if he could help Santa, but it seemed that he couldn't. Santa asked every single person, but no one helped him.

Larry: Hey, you! Get out of the restaurant!

Santa: Well, well, well. Guess who we have here. Larry Allen, huh? He was a very bad kid. Hey, Teddy, you can become like this when you're older.

Larry: Man, Plaa PL ii PLUU! Stop talking about me like that. Or I'll...

Kate: Kill us?

Larry: Yes, certainly...

Larry takes out a bat and tries to scare them.

Santa: Ok! Get out! Get out!

Santa, Kate and Teddy closed the door, and Wendy helped them. She dropped some ice on the ground so Larry would fall on the ground. He actually fell asleep.

Wendy: Be careful!

Santa: Well, night-night, Larry.

Teddy: Hey, wait.

Teddy walked quietly towards a man who had headphones on his head and was watching a video. The man had many car keys, so Teddy took one very, very quietly and walked back towards Santa and Kate, smiling.

Santa: Oh no, no, Teddy. I don't think that's a good idea!

Kate: Me neither!

Teddy: Oh, come on! Do you want to save Christmas or not?!!

Santa: Not by stealing a car.

Teddy: I mean we aren't even breaking the law because the car is already stolen so after we borrow it we...

Santa: ... Take me back to the police station.

Teddy: Yeah!

Santa: Okay walk gently, walk regular, hey slow down Teddy! You're not even old enough to drive!

Larry: Hey! That's my car!

Santa: What thee... You're awake!?! Okay, Kate, go inside so I can get in too!

Kate moves a little further.

Santa: Okay, Teddy! Go! Go! Go!

Teddy starts the car and drives as fast as he can. Then in a while, he slows down.

Luca: Wuf Wuf!

Santa: Oh Luca, I thought you were dead! How did you get in here? Oh, yes inside my costume!

Teddy: Santa? You didn't tell us that you had a... a...a weird dog!

Kate: Awwwww... so cute!

\*Luca blushes\*

Luca: Hi, there kids!

Kate: Wait... he can TALK??!!

Santa: Yes, he can! He is awesome, right??

Teddy and Kate: Umm... yes he is \*Both chuckle softly\*

Luca: Wuf!

Santa took junk things from the car and started fixing the radio.

Kate: Umm... Santa, you know that those things are junk, right?

Santa: Of course, I know, Kate.

Santa fixed the radio.

Teddy: How did you just...

Santa: I am the best toy maker on earth.

Luca: But that's not a toy even, or is it?

Santa: Yes, Luca it's not, but it's kind of like a toy, isn't it?

Luca: Umm... Maybe. I guess so...??

Santa: How's it going, Kate?

Kate watched from the back window.

Kate: No one is following us, so you can slow down Teddy.

Teddy: Come on! I'm not even driving that fast.

## Chapter 4 police following them

Radio: There is a car going over the speed limit. Number A076. Inside the car, there are 2 kids and an enormous fat man.

Santa: Why do they keep calling me fat!?!? Oh, yes, because of that stupid, dumb picture in that stupid building.

Luca: Umm... Santa, you had better chill out.

\*Kate and Teddy laugh\*

Santa: What is so funny?!

Kate and Teddy: Umm... Nothing...

Teddy: Umm... Guys, there are some police following us.

\*A few moments later\*

Kate: I think we lost them.

Santa: Okay, Teddy. Stop the car.

Teddy stops the car.

Santa: You go after the reindeers. Teddy and I will buy you some time.

Teddy: Wait, I can't leave my sister alone in the streets looking for your reindeers.

Kate: I can handle it, Teddy!

Teddy: But...

Santa: She said she can handle it, Teddy! I've always believed in you, Kate.

Kate: And I've always believed in you too, Santa. \*Turns head towards Teddy\* Unlikely someone else.

Teddy: Umm... Guys we better move, because the police are HERE!!

Santa: You can do this Kate! Go get em'

Kate ran after the reindeers.

Santa: Hey Teddy I'm gonna drive! Hey!! Teddy!! DUDE!!!

Teddy stopped driving and let Santa drive the car.

Police: Hey! Stop the engine!!

Kate finds the reindeers and starts to talk with them.

Kate: Oh!! Here you are!! Santa is very worried about you guys!

Reindeers: Hoomoo!!

Reindeers started feeling scared so Kate took out a candy stick and tried to feed one of them.

Kate: Shhh... It's okay, I'm one of the good ones!

Reindeers: Mohmoo!

Kate: Here! \*Takes out the candy stick\* It's just a candy stick. Do you want some?

Kate starts smiling and gives some more.

Kate: Do you feel full now?

Reindeers: Ghmoooo!!

## Chapter ?? Space, by: Luca

\*Luca writes\*

Hey! I am Luca! And I am a space dog! I was in space and now, I will tell you about The new galaxy. The galaxy name is Zoem. In Zoem is black planet 1, Blue planet 2, red planet 3 and yellow planet 4. One planet, the rainbow planet, has a moon. Moon's name is Sleep 5. In Zoem is a star like the sun, WeOp. If you want to know where the names come, IT'S A SECRET!

... But the planets' and moons' names come from my alien friends, Alien 1,2,3,4 and 5. 5 is very tired, so that's why the moon's name is Sleep 5. Galaxy's name came to Zoe. She is a very funny alien.

Wait, now I tell my secret! I am Lucky because nobody reads that, right? Well, if you read that, so STOP IT NOW!! Bye!
